

The ROI of Modularity

Raymond Augé, Sr. Software Architect

Return On Investment

Return On Investment

Risk

Undiversifiable

That which is not specific to a particular company or industry.

Diversifiable

That which is specific to a company or industry.

Why Diversify?

Counterbalance and/or neutralize adversity to your investments.

Replaceable / Decoupled

What is IT's platform for diversification?

The IT diversification platform
is being established NOW!

Eliminate Coupling

Tactic: Virtualization

Tactic: Polyglot

Tactic: Containerization

Tactic: Micro Services

Tactic: Continuous Delivery

Return *On Investment*

Modularity?

Liferay

Liferay → Modularity

Liferay → Modularity → Diversification

Liferay → Modularity → Diversification → Return
